

## Figures

Figure 1: A diagram illustrating the relationship between the variables  $\theta$ ,  $\phi$ , and  $\psi$ . The diagram shows a sequence of operations:  $\theta \rightarrow \phi \rightarrow \psi$ , with intermediate steps involving  $\theta_1$ ,  $\phi_1$ , and  $\psi_1$ . The operations are represented by arrows and labels:  $\theta \rightarrow \theta_1$  (labeled  $\phi$ ),  $\theta_1 \rightarrow \phi_1$  (labeled  $\psi$ ),  $\phi_1 \rightarrow \psi_1$  (labeled  $\theta$ ), and  $\psi_1 \rightarrow \psi$  (labeled  $\phi$ ). The final result is  $\psi$ .
